

ESHS Uniform Requirements

Emerald State High School is a uniform school. The P&C has ensured that the uniform suits our climate, is comfortable and relaxed, easy to wash and maintain, is affordable and gives students some choice.

Having students wear our uniform correctly:

1. Ensures students are safely attired for all learning environments (outdoor spaces, labs, kitchens, workshops etc.)
2. Prepares students for the expectations of future employment.
3. Decreases distraction from class work with competition and bullying.
4. Allows staff to quickly identify our students from those who should not be in the school grounds.
5. Presents us well in the community.

Students should not be wearing:

1. football shorts
2. shorts that are very, very short (not mid-length)
3. multicoloured or hooded jumpers
4. leggings
5. items from external sporting clubs
6. denim jeans
7. items with slogans or logos which are not appropriate to school
8. Excessive make-up
9. Excessive jewellery (1 bracelet, small stud or sleep earrings, 1 watch, 1 neck chain)
10. Facial piercings.

If your student arrives out of uniform, they will be directed to our uniform room and given a replacement item for the day. They then change back into their own clothes at the end of the day. If they refuse to comply with this, parents may be called to bring the correct uniform item in from home. Persistent non-compliance will be followed up in accordance with our Code of Conduct for Students.

If you cannot afford uniform items, we are able to discretely assist those students who don't have access to the uniform due to financial hardships or a sudden change in circumstances. Please discuss with your Year Level Deputy Principal.
